## MEMORANDUM.

The sentence of a Court-Martial, placing an Officer at the bottom of the list of his rank, involves the loss of previous time of service in that rank; so also, when the sentence of a Court-Martial takes away any seniority from an Officer, it thereby affects his Full and Half-pay cases where the same depend upon seniority; and it carries with it the loss of the benefit of service, included in the seniority forfeited, in cases where the Full and Half-pay depend upon actual service.

## NAVIGATING AND PILOTAGE DUTIES OF THE FLEET.

### FLEET CIRCULAR No. 5.—C.

Admiralty, 27th March 1877.

The entry of Navigating Cadets having ceased, my Lords Commissioners of the Admiralty are pleased to issue the following regulations for the performance of the Navigating and Pilotage duties of the Fleet, and for the carrying out of the necessary arrangements affecting the present Navigating class of officers.

1. Circular No. 40 C, of 7th August, 1873, and No. 18 C, of 3rd October, 1876, are hereby superseded, and their provisions, so far as they are retained, are embodied in this Circular.

2. Lieutenants, under four years' standing, and Sub-Lieutenants who apply to be appointed to Navigating and Pilotage duties, will, if approved by their Lordships, be accepted, and required to pass the Pilotage examination in the Hydrographic Office, Whitehall.

3. No Lieutenant will be eligible until he has completed one year's service at sea as a Lieutenant. Every Sub-Lieutenant who has elected Navigating duties will, when promoted to the rank of Lieutenant, be appointed to a sea-going ship to serve one year as a watch-keeping officer.

4. Lieutenants may, after performing Navigating duties for three years, pass for First-Class Ships; and Commanders must have passed for First-Class ships, either as Lieutenant or Commander, before they can be considered as Navigating officers.

5. Within the first five years of their service, Lieutenants accepting Navigating Appointments will be required to go through a short course of gunnery in the "Excellent" or "Cambridge;" and in the Quarterly Returns of gunnery from Her Majesty's ships, it will be reported whether they are competent to drill quarters, and are conversant with the rifle and sword exercises. The Captains of the ships in which they serve will take care that facilities are afforded these officers for keeping up their knowledge on these subjects.

6. Officers who qualify for Navigating duties will be required to perform those duties, if called on to do so, until promoted to the rank of Captain.

7. They will be required to take a share in the ordinary duties of their ships, such as Watch-keeping, acting as Divisional Officers, &c., as in the case of Gunnery Lieutenants. But this participation in the ordinary duties is not to interfere with their special Navigating duties, and is to be arranged at the discretion of the Captain.

8. If the Officer appointed for Navigation duties should be senior to the Senior Officer appointed for Executive Duties, he will, in the absence of the Captain, succeed to the command of the ship. But he is not to take upon himself the routine duties of the Executive Officer except by order of the Captain, or in case of necessity.

9. Executive Officers selected for Navigating duties will remain eligible for promotion to the highest rank in the Service; and, as Captains and Commanders, they, as well as Staff-Captains and Staff-Commanders, may be appointed Masters Attendant, Assistant Masters Attendant, and Queen's Harbour Masters.

10. The pay of Executive Officers performing Navigating duties will be as follows:—

Commanders.—The full pay of their rank, and, when appointed to Flag Ships, extra pay of from *£* 2*s*. 6*d*. to *£* 5*s*. a-day. At the discretion of their Lordships.

Lieutenants.—The full pay of their rank, and, if of five years' seniority and upwards, extra pay of *£* 3*s*. a-day.

Under five years' seniority, extra pay of *£* 2*s*. 6*d*. a-day.

If passed for First Class Ships, without regard to seniority, extra pay of *£* 4*s*. a-day.

Sub-Lieutenants.—The full pay of their rank and extra pay of *£* 2*s*. 6*d*. a-day.

11. All Officers now on the lists of Staff-Captains, Staff-Commanders and Navigating Lieutenants, will continue to perform the same duties, and be eligible for the same appointments as at present.

12. Navigating Sub-Lieutenants, on being selected for promotion, will be allowed the option of being placed either on the Lieutenants' or on the Navigating Lieu-

tenants' list; but if they elect the Executive list they will still be required to perform the same duties as other Lieutenants who are appointed for Navigating duties, if called on to do so, until promoted to the rank of Captain.

13. Officers who have been promoted from the Navigating Sub-Lieutenants' list to the Lieutenants' list, will, within the first six months of their service, be required to go through a course of Gunnery in the "Excellent" or "Cambridge," and in the Quarterly Returns of Gunnery from Her Majesty's ships, it will be reported whether they are competent to drill Quarters, and are conversant with the Rifle and Sword Exercises. The Captains of the ships in which they serve will take care that facilities are afforded these officers for keeping up their knowledge on these subjects.

14. Acting Navigating Sub-Lieutenants will, on completing their examinations, including Pilotage, be allowed the option of being placed on the Sub-Lieutenants' list, or on the Navigating Sub-Lieutenants' list. If they elect the Executive list, they will be placed upon it with the seniority which they would have obtained had they remained on the Navigating list; but should their seniority happen to be the same as that of any Sub-Lieutenant who has always been on the Executive list, they will be placed on the list below such Sub-Lieutenant.

15. Acting Navigating Sub-Lieutenants, when placed on the Sub-Lieutenants' list, will be appointed to the "Excellent" for a course of Gunnery instruction, and will be required to perform Navigating duties, if called on to do so, until promoted to the rank of Captain.

16. Officers transferred from the Navigating to the Executive list will be eligible for promotion to the highest rank in the Service; and they will come under the same rules as to promotion, pay, retirement, &c., as apply to officers who have always been on the Executive list.

17. Executive officers, and officers appointed from the Navigating to the Executive list, who perform Navigating duties, will be shown, in the "Navy List" with the letter N against their names.

By Command of their Lordships,

ROBERT HALL.

To all Commanders-in-Chief, &c.

ORDER IN COUNCIL, No. 10.—C.W.

At the Court of Balmoral.

The 23rd day of October.

Present:

The QUEEN'S most Excellent Majesty in

WHICH there was this day read as the Royal Warrant from the Right Honourable the Lords Commissioners of the Admiralty, dated the 4th of October, words following, viz.:—

"Whereas we have had under our own the Regulations (authorised by Your Order in Council of 3rd August 1867 and 4th October 1867) under which leave of absence is granted to certain officers of Your Majesty on their return from Foreign service, on a full pay scale, viz.:—

Officers with over 3 and less than 3 1/2 years

Officers with over 3 and less than 4 1/2 years

ships on their return from Foreign service, during a period of two years Foreign service being insisted on in their case, additional leave may also be granted in cases where the ship's commission has been prolonged to an unusual extent where she has been employed on service of an exceptionally arduous nature.

We do therefore most humbly submit that we empowered in a similar manner to grant full pay leave to such officers of Your Majesty's Navy as are in other respects eligible under present Regulations for such indulgence, but who have less than two years Foreign service, on the following scale, viz.:

## ROYAL NAVAL COLLEGE, GREENWICH.

### EXTRACTS FROM CIRCULAR No. 5-C.

Admiralty, 30th January 1873.

As regards Engineer Officers by the Regulations of June 1871.)

Her Majesty by Her Order in Council, dated 16th January 1873, having sanctioned the founding of a Royal Naval College at Greenwich, my Lords have determined that the College on the 1st of February next, at which the instruction of the Gunnery Lieutenants and Acting Lieutenants will commence. The arrangements for the higher courses of study will not be commenced at the beginning of the ensuing term on the 1st of February, but special provisions have been made to prevent interruption or disarrangement in the studies of those students who will hereafter be admitted.

Officers subject to the subjoined Regulations, who are holders of the following ranks:—  
Captains and Commanders.

Acting Lieutenants.

Acting Sub-Lieutenants and Acting Navigating Lieutenants.

Acting Royal Marine Artillery.

Acting Royal Marine Light Infantry.

Acting of the Engineer Branch, viz.:

Engineers.

Assistant Engineers.

Number of Dockyard Apprentices will be annually selected by competitive examination, for admission to the College.

Instruction at the College will also be open to a number of—

Students of Naval Architecture or Marine Engineering.

Students of the Mercantile Marine.

Students intended to provide at Greenwich for the instruction of the Naval Cadets.

Students intend that the Royal Naval College at Greenwich shall be so organized as to provide for the instruction of all Naval Officers of all ranks above that of Midshipman in all branches of theoretical and scientific knowledge upon their profession; but my Lords will also be instructed given in the "Excellent" manner as heretofore, and arrangements for instruction in practical surveying will also be continued.

Arrangements, by the establishment of the College, for the Executive Officers of the Navy generally, to provide advantage in respect of scientific education. Arrangements will be made at all prejudicial to the important practical training in the active part of their profession.

Object of securing, in the interest of the Naval Service, the highest possible scientific instruction is, in the opinion of my Lords, most effectually to be attained by bringing together in one establishment all the necessary for the higher education of Naval Officers connected with the Navy.

Number of Students at the College will render it possible to carry out instruction by individual

tuition as hitherto, but to secure a staff of eminent professors, to arrange lectures and classes, and to provide chemical and physical laboratories, on a scale which has hitherto not been possible in any naval establishment.

Complete courses of study suitable for the different classes of Students admitted will be organized, and will be carried out by professors, lecturers, and instructors. Officers and others admitted as Students will have the advantage of these courses of study, whether they reside or not. But Officers and others who may not become students will, under certain regulations, have free access to separate courses of lectures, the benefit of which it is desired to extend as far as possible.

The following are the proposed courses of study:—

#### Subjects.

1. Pure Mathematics, including Co-Ordinate and Higher Pure Geometry, Differential and Integral Calculus, Finite Differences, and the Calculus of Variations.

2. Applied Mathematics, viz., Kinematics, Mechanics, Optics, and the Theories of Sound, Light, Heat, Electricity, and Magnetism.

3. Applied Mechanics, including the Theory of Structures, the Principles of Mechanism, and the Theory of Machines.

4. Nautical Astronomy, Surveying, Hydrography, with Maritime Geography, Meteorology, and Chart Drawing.

5. Experimental Sciences:—  
a. Physics, viz., Sound, Heat, Light, Electricity, and Magnetism.

b. Chemistry.

c. Metallurgy.

6. Marine Engineering in all its branches.

7. Naval Architecture in all its branches.

8. Fortification, Military Drawing, and Naval Artillery.

9. International and Maritime Law; Law of Evidence and Naval Courts Martial.

10. Naval History and Tactics, including Naval Signals and Steam Evolutions.

11. Modern Languages.

12. Drawing.

13. Hygiene—Naval and Climatic.

A certain latitude in selecting such courses of study as they may prefer will be allowed to Officers voluntarily attending the College. Officers and others required to attend by the Regulations will follow such courses of study as may from time to time be prescribed.

The general organization of the College will be as follows:—

A Flag Officer will be President; he will be assisted by a Captain in the Royal Navy in matters affecting discipline, and in the internal arrangements of the College unconnected with study.

A Director of Studies will, under the President, organize and superintend the whole system of instruction, and the various courses of study.

There will further be—  
A Professor of Mathematics.  
A Professor of Physical Science.  
A Professor of Chemistry.  
A Professor of Applied Mechanics.  
A Professor of Fortification.

Such Instructors in Mathematics and the other branches specified as may be necessary to assist the Professors will be added to the Staff. Lecturers will be appointed to deliver courses of Lectures in Naval Architecture, Metallurgy, Civil and Hydraulic Engineering, Maritime Law, Naval History, and Tactics, and Hygiene.

A Naval Officer will conduct instruction in Nautical Astronomy and Surveying, and there will be two Instructors in Steam.

Such provisions will be made for instruction in French and German and in Drawing, as the numbers of Students desirous of following courses in these branches may render necessary.

The following changes are introduced in the Regulations as regards the time of study in the case of Officers who are required to attend the College.

- (a.) The time allowed to Acting Sub-Lieutenants to qualify for their Examination in Navigation for Lieutenants will be extended from six weeks to six months.
  - (b.) Gunners Lieutenants will be required to pass a term of nine months (from 1st October to 30th June) in the College at Greenwich *before* commencing their practical course in the "Excellent." Instead of, as at present, a term of seven months *after* they have completed it.
- Officers, on applying to qualify as Gunners Lieutenants, if they have not already served one year at sea as Lieutenants, will be at once appointed to a sea-going ship, in order to complete the year's service required before they commence their studies.
- (c.) My Lords propose that successful Candidates for Commissions in the Royal Marine Light Infantry should, before receiving their Commissions, have the advantage of a term of study in the College. They also propose to assign a longer term of study to officers of the Royal Marine Artillery; but the final arrangements with regard to Marine Officers have not yet been concluded.
  - (d.) All acting Assistant Engineers will in future be sent to Greenwich, after leaving the dockyards, for a period of study before their appointment to sea-going ships.

As regards Officers on half-pay, my Lords are particularly anxious that young Lieutenants should at once, on their promotion to that rank, avail themselves of the advantages of the College before their turn would come for appointment to a ship. The regulations specify allowances which are intended to remove any pecuniary difficulties in attending the College; and special consideration for appointments will be given to Lieutenants who thus occupy in so useful a manner the time necessarily spent on shore.

Arrangements have been made for the admission of Naval Engineer Officers to the College, which will prevent time spent at the College from entailing any pecuniary loss upon them.

The School of Naval Architecture at South Kensington will be absorbed in the Royal Naval College, Greenwich. The regulations for the admission of Engineer Students and of Dockyard Apprentices have been so framed as to provide as nearly as possible the same aggregate time for their instruction as that which is now afforded at South Kensington. Further regulations will be issued by their Lordships in regard to the admission of private Students to the course of study at the College on similar conditions to those now existing at South Kensington.

My Lords have further determined to admit a limited number of Officers of the Mercantile Marine as Students of the College, enjoying the full advantages of the whole course of instruction and tuition by the Educational Staff, while Officers of the Mercantile Marine generally will, on application, be allowed to attend courses of lectures.

The paramount object which my Lords have pursued in the organisation of the College has been to provide the most efficient means for the higher education of Naval Officers adequate to the constantly increasing requirements of the Service; but my Lords also anticipate great advantages from the results likely to accrue from the connection which will be established through the College between men distinguished in the various departments of mathematical, physical, and chemical science, and those practical problems which so vitally interest the navigator, the naval architect, and the naval engineer.

My Lords expect the College to become, not only an educational establishment affording the means of the

highest training in theoretical subjects to Naval of all classes, but also a nucleus of mathematical and mechanical science specially devoted to those branches of scientific investigation which have most interest in the Navy.

### REJECTION OF ACTING SUB-LIEUTENANTS AT THE EXAMINATION IN GUNNERY ON BOARD HER MAJESTY'S SHIP "EXCELLENT."

[Circular No. 8 (C) of 30th Jan. 1873, p. 8, cl. xi.]

My Lords Commissioners of the Admiralty have taken  
 into consideration the fact that, although failure on the  
 part either of Midshipmen to pass their examination in  
 Seamanship for the rank of Lieutenant, or of Acting  
 Sub-Lieutenants to pass their final examination in Navi-  
 gation at the Royal Naval College, involves a loss of  
 seniority in some cases to a considerable extent, no such  
 penalty is incurred in the case of rejection at the exami-  
 nation in Gunnery on board Her Majesty's Ship "Ex-  
 cellent," and hereby direct that for the future one  
 month's seniority shall be forfeited for such rejection.

(b.) To be retired as soon as 10 years have elapsed since their flag was hauled down, or (if they have not hoisted their flag) since their service as Captain ceased.

(c.) When so retired, the names of those who have hoisted their flags, or have been employed at the Admiralty, will, if they should desire it, be retained on the Active List according to seniority, until such time as they would have been compulsorily retired under the Order in Council of 24th March 1906, but they will not be entitled to rise above the rank of Admiral or Retired Admiral. 10. Rear-Admirals now on the Active List, who elect or are allowed to be retired at once under the new Regulations, to be entitled to £75*l.*, instead of £60*l.* a year, as retired pay, subject to the deduction specified in the scale, but without the addition allowed for extra service.

11. Until the Active List of Admirals shall have been reduced to 7, only one in every two vacancies caused by retirement, or promotions consequent thereon, to be filled up.

[See Order in Council, 5th August 1875.]

12. Until the Active Lists of Vice-Admirals and Rear-Admirals shall have been reduced to 15 and 25 respectively, only one in every three vacancies caused by retirement, or promotions consequent thereon, to be filled up.

(See Order in Council, 5th August 1875.)

13. All vacancies caused by death to be filled up as they occur.

14. The Officers now holding the appointments of Vice-Admiral and Rear-Admiral of the United Kingdom, and First and Principal Naval Aide-de-camp to Her Majesty, if retired as Admirals under the new Regulations, to receive an addition to their retired pay, not greater than the salary of their office; but the whole amount not to exceed the half-pay of an Admiral of the Fleet.

15. The new requirements of service for promotion to the rank of Rear-Admiral not to be enforced with regard to Captains now on the Active List, who are at present qualified by service for promotion under the old regulations.

17. All Captains now on the Active List, of less than years' standing, to be allowed the same option, except that they will in no case be allowed to remain on the Active List after the age of 55.

18. Until the Active Lists of Captains, Commanders, and Lieutenants shall have been reduced to 150, 200, and 600 respectively, only one in every four vacancies caused by retirement, and promotions consequent thereon, to be filled up. Vacancies caused by death to be filled up as they occur.

[See Order in Council, 5th February 1872, 5th August 1875, altering this paragraph.]

19. No further additions to be made to the List of Reserved Flag Officers.

20. The new requirements of service for promotion not to be enforced with regard to Commanders and Lieutenants now on the Active List, who are at the present time qualified by service for promotion under the old Regulations.

21. Such Commanders and Lieutenants now on the Active List, as are not at the present time qualified by service for promotion, will be promoted under the new Regulations.

24. Until the present Active Lists shall be reduced to the proposed numbers, any Officer with their consent, and at Our discretion, being above 40 years of age, on the terms of the Regulations, if under 40 years of age, on the active list their rank.

All present Rules and Regulations, excepting they are expressly altered or limited by these Temporary Provisions, shall be deemed to be in force.

## SERVICE REQUIRED TO QUALIFY OFFICERS FOR PROMOTION TO FLAG RANK ON THE ACTIVE RETIRED LISTS.

ORDER IN COUNCIL, No. 11.—C.

At the Court at Osborne House, Isle of Wight,  
The 4th day of August 1875.

Present:

The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 1st of August 1873, in the words following, viz.:—

"Whereas in Your Majesty's Order in Council of 22nd February 1870, governing the promotion and retirement of Flag Officers and others of Your Majesty's Fleet, clause six of section two appoints as follows:—

"Captains retired from that rank to be entitled to rise by seniority to the rank of Retired Rear-Admiral, if before retirement they had served the time to qualify them for promotion."

"And whereas we are of opinion that this condition may be modified, we humbly propose to Your Majesty that the clause above recited be cancelled, and the following substituted:—

"Captains who have been, or who may in future be, retired from the rank under Your Majesty's Order in Council of 22nd February 1870, to be entitled to rise by seniority to the rank of Retired Rear-Admiral if they have served three years as Captain in command of a Ship of War at sea."

[See Order in Council, 4th August 1875, cancelling this.]

"And whereas clause five of section two of Your Majesty's said Order in Council is as follows:—

"To qualify a Captain whose seniority brings him in turn for advancement to the Active List of Flag Officers he must have completed six years' Sea Service as Captain, or its equivalent in Harbour Service, but the first three years of such period must be Sea Service in command of a Ship of War at sea. Such Officers as arrive at their turn for promotion without having completed the qualifying Service to be retired."

"And whereas in section five, which defines 'Harbour Service,' clause two contains the following sub-clause:—

"(a.) Service in Harbour Ships or their Tenders, except the exception of the Harbour Ships and Ascension, Port Royal, Hong Kong, & Janeiro, and at such other Foreign Ports determined, and Service in First Reserve (Guard) Ships, after the first three years' Service, such first three years to be Sea Service."

"And whereas we are of opinion that the recited clauses may render it unduly difficult for who, as Lieutenants qualified in Harbour Gunners Lieutenants, and also in some cases, to obtain the amount of Service required for promotion to Flag Rank.

"We therefore humbly propose to Your Majesty the sub-clause above recited of the second of fifth section of Your Majesty's said Order be cancelled and the following sub-clause substituted:—

"(a.) Service of an Officer when borne on any Harbour Ship, or of any First Reserve (Guard) Ship, subject to the following conditions:—

"1. Three years served in any Harbour Reserve (Coast Guard) Ship, or in any such Ship, as Lieutenant or Commander ranks combined, shall count as Sea Service as Sea Service in a Ship of War at sea."

"2. Three years served either before or after August 1873, or partly before and partly after, as Captain in command of any First Reserve (Coast Guard) Ship, or of such Ship, shall count as Sea Service as Sea Service in a Ship of War at sea."

"This shall not apply to any Officer who has been promoted to the rank of Captain on 1st August 1873."

"3. Service subsequent to 1st August 1873, to Harbour Ships and to First Reserve (Coast Guard) Ships at Home, and in Harbour Ships and their Tenders, shall, in such cases as we may determine, count as Service in a Ship of War at sea."

Her Majesty having taken the said Memorial into consideration, was pleased, by and with the advice of the Privy Council, to approve of what is therein contained, and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions accordingly.

# **PROMOTION OF COMMANDERS AND LIEUTENANTS AND RETIREMENT OF SUB-LIEUTENANTS.**

These provisions are modified by Order in Council, dated 22nd February 1870, at the Court at Osborne House, Isle of Wight, *The 5th day of February 1872.*

Present:

THE QUEEN'S most Excellent Majesty in Council. Whereas there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 29th December 1871, the words whereof, viz.:

"Your Majesty, by Order in Council of 22nd February 1870, was graciously pleased to establish Regulations for the Promotion and Retirement of Officers of the Navy; and whereas we are of opinion, in view of the number of promotions that have taken place in the last year, that it is expedient to provide for the immediate advancement of a limited number of Commanders and Lieutenants, subject to the restrictions on the promotion of Captains, Lieutenants, and Sub-Lieutenants, in the Queen's Majesty's aforesaid Order in Council, that the Active List of Captains, Commanders, and Lieutenants shall be reduced to the number established: And whereas we are of opinion that it is expedient to make other alterations in the temporary provisions of the said Order in Council, and also that it is necessary to provide for the retirement of Sub-Lieutenants,

we therefore most humbly submit to Your Majesty that we be empowered to promote ten Commanders

and ten Lieutenants to the rank of Captain, from the present date.

That the number of Captains is reduced to one thousand eight hundred and seventy-five, in the words following, viz.:

"Whereas we have had under our consideration the effects of Your Majesty's Orders in Council of twenty-second February, one thousand eight hundred and seventy, and fourth August, one thousand eight hundred and seventy-three, in so far as they relate to the retirement and promotion of Flag Officers, Captains, Commanders, and Lieutenants of Your Majesty's Navy; And whereas large reductions of these lists have been thereby effected, which, though highly satisfactory in one point of view, have resulted in a great stagnation of promotion: We are of opinion that it is expedient to provide temporarily for a more uniform flow of advancement to these ranks; to relax slightly the rules as regards the age at which Flag Officers and Captains may be optionally retired, and to modify still further the restrictions respecting the advancement to Flag Rank of Officers on the Retired List and promotions on that List.

"We would therefore most humbly submit to Your Majesty:—

"1. That we be empowered for the present to promote annually seven Captains to Flag Rank, effecting this by promoting to Flag Rank as heretofore in vacancies caused by death and retirement, and by supplementing any vacancies short of seven at the end of each year, so long as a maximum number of sixty-eight Flag Officers be not exceeded:—

"Adjusting the Flag Ranks thus:—

3 Admirals of the Fleet. } Total 68.  
10 Admirals.  
20 Vice-Admirals.  
35 Rear-Admirals.

"Promotions to the List of Admirals to be in the proportion of one to two in vacancies caused by retirement until the number is reduced to ten, and the addition to the list of Vice-Admirals and Rear-Admirals to be in the proportion of one Vice-Admiral to every two Rear-Admirals added to the list; should there be more than seven vacancies in any year the excess not to be filled up in that year, provided the list of Flag Officers is kept up to fifty.

"2. That, for the present, we be also empowered to promote annually twelve (and should vacancies occur as many as fifteen) Commanders to the rank of Captain, effecting this by filling every vacancy and supplement-

ing the list of Captains to the number established: And whereas we are of opinion that it is expedient to make other alterations in the temporary provisions of the said Order in Council, and also that it is necessary to provide for the retirement of Sub-Lieutenants,

we therefore most humbly submit to Your Majesty that we be empowered to promote ten Commanders

and ten Lieutenants to the rank of Captain, from the present date.

That the number of Captains is reduced to one thousand eight hundred and seventy-five, in the words following, viz.:

"Whereas we have had under our consideration the effects of Your Majesty's Orders in Council of twenty-second February, one thousand eight hundred and seventy, and fourth August, one thousand eight hundred and seventy-three, in so far as they relate to the retirement and promotion of Flag Officers, Captains, Commanders, and Lieutenants of Your Majesty's Navy; And whereas large reductions of these lists have been thereby effected, which, though highly satisfactory in one point of view, have resulted in a great stagnation of promotion: We are of opinion that it is expedient to provide temporarily for a more uniform flow of advancement to these ranks; to relax slightly the rules as regards the age at which Flag Officers and Captains may be optionally retired, and to modify still further the restrictions respecting the advancement to Flag Rank of Officers on the Retired List and promotions on that List.

"2. That, for the present, we be also empowered to promote annually twelve (and should vacancies occur as many as fifteen) Commanders to the rank of Captain, effecting this by filling every vacancy and supplement-

ance with the provisions of Your Majesty's Order in Council of 22nd February 1870, relating to Flag Officers, Captains, Commanders, and Lieutenants, time during which a Sub-Lieutenant may be on half-pay after he has served three years in that rank to reckon in the proportion fixed by the Order in Council.

"12. Sub-Lieutenants to be allowed, at their own request and with our consent, to commute their retired pay under the rules laid down by the Lords Commissioners of Your Majesty's Treasury for administering the Act 34 and 35 Vict. cap. 50.

"13. The existing rules as to half-pay to Sub-Lieutenants while on the Active List to remain in force.

"We therefore most humbly submit that Your Majesty will be graciously pleased to sanction these arrangements, which have received the concurrence of the Lords Commissioners of Your Majesty's Treasury."

Her Majesty having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed; and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

## SERVICE ON COMMITTEES, &c.

At the Court at Windsor,

The 13th day of May 1870.

Present:

THE most Excellent Majesty in Council. There was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 10th of May 1870 in the following words:

By Your Majesty's Orders in Council of the 10th June 1867, Your Majesty was pleased to sanction proposals for the retirement of the Executive Officers of Your Majesty's Fleet: Whereas we deem it desirable that further regulations be made in connection with the Scheme so sanctioned, we would humbly propose:

That the service of Officers on Committees or of Inquiry in connection with naval matters, we are of opinion that, considering the requirements, it is but just to allow a full service to count as full service. And, that, in connection with the Scheme, we would be empowered to allow Officers to be employed, namely, up to the time of the Committees and Commissions, as full service, as thirds of full time, but the time that an Officer would have been in Committee time had counted as Half-time.

And, that, in connection with the Scheme, we would humbly submit that when an Officer is removed from the Active List on account of age, and is not employed, we deem it advisable to allow him to continue to be employed, as though he had been on the Active List, until he ceases to be in employment, that his retired pay should then be reckoned to the total period of service he has been employed, reckoning his civil employment as full service.

And, that, in connection with the Scheme, we would humbly submit that when an Officer is removed from the Active List on account of age, and is not employed, we deem it advisable to allow him to continue to be employed, as though he had been on the Active List, until he ceases to be in employment, that his retired pay should then be reckoned to the total period of service he has been employed, reckoning his civil employment as full service.

motion consequent on Retirement, until the Lists may be reduced to the numbers authorised by Your Majesty's above-named Orders in Council; and we would beg to point out that provision for making such promotion in the ranks of Captain, Commander, and Lieutenant, was contained in the Order of Council of 22nd of February 1870.

4th. As regards the promotion on Retirement of Staff Commanders and Paymasters, whereas it is laid down by Your Majesty's Order in Council of 26th June 1867, that Staff Commanders having served 20 years in the ranks of Navigating Lieutenant and Staff Commander shall receive, when retired, the rank of Retired Captain, and that Officers having served 15 years in those ranks shall retire with the rank of Retired Commander; and by Your Majesty's Order in Council of 9th July 1861 it is laid down that Paymasters who may have completed 20 years' service, including Acting Paymasters' time, and not more than 4 years' time as Assistant Paymaster, shall be retired with the rank of Paymaster-in-Chief: And whereas by Your Majesty's Order in Council of 22nd February 1870 it has been provided as to Commanders and Lieutenants placed on the Retired List that these Officers shall be granted the rank of Retired Captain and Retired Commander only at our discretion: We are of opinion that it will be for the benefit of Your Majesty's Service that similar conditions should be made applicable to the Promotion on Retirement of Staff Commanders and Paymasters, so that these Officers should no longer be entitled to claim the respective ranks of Retired Captain, Retired Commander, and Paymaster-in-Chief, when removed from the Active List, but that such promotion should, in addition to the above-mentioned requirements of service, be governed also by qualifications of good and meritorious service: We therefore humbly submit that in future such Promotions on Retirement be made at our discretion. We beg further to represent that, so far as financial arrangements are affected, the Lords Commissioners of Your Majesty's Treasury have signified their concurrence in the above-mentioned proposals.

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed; and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

(Signed) ARTHUR HELPS.

## RETIREMENT OF CHAPLAINS.

At the Court at Osborne, Isle of Wight,

The 5th day of February 1872.

Present:

THE most Excellent Majesty in Council. There was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 19th of January 1872 in the following words:

By Your Majesty's Order in Council of the 10th June 1867, Your Majesty was pleased, by Your Order in Council of the 10th June 1867, to establish Regulations for the Retirement of Chaplains, and Chaplains of Your Majesty's Navy. And we deem it expedient that it is expedient, in the interests of Your Majesty's Service, to allow such Officers to be retired at a period earlier than that laid down in the Order in Council. And whereas we deem it expedient that the services of such Officers, should not be discontinued: We would humbly submit that Clause 6, paragraph 1, of the Order in Council be cancelled, and replaced by the following regulation:

"1. That any Chaplain who obtains from us permission to accept a living, or desires to retire from Your Majesty's Service, may, provided that he has not less than 10 years' service, be retired with pay on the following scales, viz.:

After 10 Years' Service	£ 50 per annum.
" 15 "	£ 100 "
" 20 "	£ 150 "

The amount earned by service under Order in Council of 22nd February 1870. "2. That Chaplains who have less than 10 years' service and accept a living, will be considered as desiring to resign Your Majesty's Service, and will accordingly not be entitled to any pecuniary retiring allowance, or to either Half or Retired Pay. The Lords Commissioners of Your Majesty's Treasury have signified their concurrence with these proposals."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein contained; and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

ORDER IN COUNCIL, No. 5.—C.

At the Court at Windsor,

*The 3rd day of March 1873.*

Present:

The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 1st of March 1873, in the words following, viz.:—

"Whereas we have had under consideration the state of the Active List of Paymasters and Assistant Paymasters in Your Majesty's Fleet; and whereas we are of opinion that, in order to increase the efficiency of those Lists, and to maintain a steady and more equal flow of promotion, it is necessary to reduce the Active List below the numbers laid down by Your Majesty's Order in Council of 22nd February 1870, the numbers now borne being in excess of the requirements of Your Majesty's Service; we would, therefore humbly propose to Your Majesty—

- "1. That paragraphs three and four of section six of Your Majesty's said Order in Council of 22nd February 1870 be cancelled.
- "2. That the Active List of Paymasters, including Secretaries, be reduced to two hundred.
- "3. That the Active List of Assistant Paymasters, Clerks, and Assistant Clerks, be reduced to two hundred and thirty.
- "4. That until the Active List of Paymasters shall have been reduced to the numbers proposed, Paymasters, of whatever age, be retired, with their consent and at our discretion, on the terms laid down in Your Majesty's said Order in Council of 22nd February 1870.

"5. That until the Active Lists of Assistant Paymasters, Clerks, and Assistant Clerks, shall have been reduced to the numbers proposed, Assistant Paymasters be retired, with their consent and at our discretion—

- "(a.) If under three years' standing, with the rate of two shillings and sixpence per diem, and
- "(b.) If of three years' standing, with three shillings and sixpence per diem, an additional sixpence per diem being given for each complete year beyond three, served as Assistant Paymaster, until the maximum is reached, viz., six shillings per diem, these being the same terms as those laid down in Your Majesty's said Order in Council of 22nd February 1870.

"6. That until the list of Paymasters shall have been reduced to the number proposed, we be empowered to promote to the rank of Paymaster, in the cases caused by death or compulsory retirement exceeding ten in any one year; but that in the case of voluntary retirement no promotion shall be made.

"We beg that Your Majesty will be graciously pleased to sanction these arrangements, which have received the concurrence of the Lords Commissioners of Your Majesty's Treasury."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of the Privy Council, to approve of what is therein proposed, and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions accordingly.

## RETIREMENT OF NAVIGATING SUB-LIEUTENANTS.

ORDER IN COUNCIL, No. 15.—C.

Present:

The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 1st August 1872, in the words following, viz.:—

"Whereas Your Majesty was graciously pleased, by Your Order in Council of the 5th February 1872, to establish Regulations for the Retirement of Sub-Lieutenants of Your Majesty's Navy; and whereas, having had under our consideration the present state of the Active List of Navigating Sub-Lieutenants, we are of opinion that it is necessary to establish Regulations for the Retirement of Officers in this rank, we would therefore humbly submit to Your Majesty the following proposals:—

- "1. Navigating Sub-Lieutenants to be compulsorily retired at the age of forty, or at any age if physically unfit for service.
- "2. Retired Pay to be granted as follows: after three years' seniority, 3s. 6d. per diem, an additional 6d. being given for each complete year beyond three served as Navigating Sub-Lieutenant until the maximum is reached, viz., 6s. per diem.
- "3. Officers who, in our opinion, are not deserving of receiving Retired Pay on the above scale, to be granted such lower rate of Pay as we may think fit to award them.
- "4. Service for Retired Pay to be calculated in accordance with the Provisions of Your Majesty's Order in Council of 22nd February 1870, relating to Naval Officers, &c.; time during which a Navigating Sub-Lieutenant may be on Half-pay, after he has served five years in that rank, to reckon in the proportion of the said Order in Council.

"5. Navigating Sub-Lieutenants to be allowed, on their own request and with our consent, to continue on Retired Pay under the rules laid down by the Lords Commissioners of Your Majesty's Treasury for admission to the Act 34 and 35 Vict. cap 36.

"6. The existing rules as to Half-pay to Navigating Sub-Lieutenants while on the Active List to remain in force.

"7. We would humbly submit to Your Majesty that the above Regulations be sanctioned, and we beg to be allowed to apply the same to Navigating Sub-Lieutenant George Horwood, who has served for 41 years and 6 months in Your Majesty's Navy, and who was discharged from Your Majesty's Coastguard Service in 1870 on attaining the age of 60, from the date of his discharge.

"We beg that Your Majesty will be graciously pleased to sanction these arrangements, which have received the concurrence of the Lords Commissioners of Your Majesty's Treasury."

vii. If she shall receive any other Pension, Pro-

Widows, in consequence of re-marriage, either after the 31st of December, 1830, with a Naval or Military Officer, shall become again eligible for a Pension from the date of their marriage, and may either revert to her first Pension, or to the Pension for which her second marriage was contracted, whichever is most to her advantage.

16. *Widows of Marine Officers.*—The General Rules for the grant of Pensions to the Widows of Naval Officers are applicable to the cases of Widows of Marine Officers, except where otherwise stated in these Regulations.

In computing the period on the list of Commission Officers necessary to render Widows eligible for Pensions, in the case of Marine Officers who have been promoted from the ranks, three years in the ranks shall be allowed to reckon as two years in commission towards such qualifying period; and if under this rule the time is still insufficient, the Admiralty may, at their discretion, award a Pension notwithstanding, provided the actual service in all ranks amounts to the period required in the cases of other Officers.

The Widows of Marine Officers who held Brevet or Honorary Rank on the Active List shall be granted the Pension applicable to that rank. The Widows of other Officers holding such rank shall only be entitled to the Pension applicable to the substantive rank of the Officer when last on the Active List.

17. *Widows and Children of Officers killed in Action.*—Gratuities, under the following regulations, shall be allowed, as Her Majesty's Royal Bounty, to the Widows and Orphans of such of the Officers mentioned in Article 1, as may be slain in the Queen's Service, in fight with the enemy, pirates, or smugglers, or in encounters with the Ships of friends by mistake, or in quelling disturbances on shore; and persons dying of their wounds within six months shall be considered as persons slain, viz.:

i. To a Widow, a Gratuity equal to a year's Full-Pay of the rank which her husband held at the time of his death.

ii. To each Orphan (who shall not be married, nor be of the age of twenty-one at the time of the father's death), one-third of the Gratuity to the Widow; and posthumous children shall be considered as orphans.

In the calculation of these Gratuities, the Officer's Command Money and other Full-Pay allowances, except Table Money, shall be included.

18. In the case of an Officer killed in action, or dying from wounds received in action within six months, and not leaving a Widow, but leaving a Daughter or Daughters only, an annual Allowance, equal to the ordinary rate of Widows' Pension may, under special circumstances, be granted, instead of the Compassionate Allowance, to such Daughter or Daughters collectively. Such Allowances may be continued until the Daughter, or the last survivor of them, in case there be more than one, may become disqualified by marriage or other wise.

19. *Children of Officers.*—Allowances on the Compassionate List to the legitimate Children of deceased Commission Officers, may be given in those cases in which the rank of the Officer would render his Widow eligible to be placed on the Pension List; provided it be shown that the Children have no other Allowance, Pension, or Provision from the Government (except in the case of Boys under the age of eighteen who may be serving as Subordinate Officers in the Navy), and that their pecuniary circumstances, and those of their family, are so limited that they actually require assistance from the Compassionate Fund.

20. The claims of the Children will be considered according to the length, nature, and merit of the services performed by the Father; and as far as the decision upon claims can be governed by Regulation, in the following order, viz.:

- 1st. Children of Officers killed or drowned on duty.
- 2nd. Children of Officers dying from illness contracted in the Service.
- 3rd. Orphans having neither Father nor Mother.
- 4th. Children of Officers dying on Foreign Service.
- 5th. Children of Officers dying on Full-Pay at Home.
- 6th. Children of Officers dying on Half-pay, and on the Reserved and Retired Lists.

21. The Allowances granted to the Sons of Officers may be continued until they attain the Age of Eighteen, or are otherwise previously provided for; and those to the Daughters may be continued until they marry, or attain the Age of Twenty-one, whichever shall first happen, and no longer; except in very special cases, in which it shall be shown that such Sons or Daughters are afflicted with any mental or bodily infirmity, rendering them incapable of making any exertion for their own support; and that they are still in distressed circumstances.

22. Children who are being educated at the expense of Greenwich Hospital are not eligible for Compassionate Allowances, but, on their ceasing to be chargeable to

Greenwich Funds, they may be placed on the List of the Compassionate Fund, if otherwise eligible.

Compassionate Allowances may be drawn by Boys serving as Naval Cadets, or in other subordinate capacities in Her Majesty's Service, provided neither they nor their mothers have any private income.

23. All persons alluded to in Article 21 who are in receipt of 30*l.* a-year from other sources, or whose Mothers have been refused Pensions on account of private income, are not considered eligible for Compassionate Allowances under ordinary circumstances.

24. In the event of a Widow re-marrying, her Children by the first marriage are still eligible for Compassionate Allowances, provided they are otherwise qualified to receive them.

25. Compassionate Allowances are granted for the year commencing 1st January, but are not payable till after the following 1st April.

26. Children who were born after their Fathers commuted their Retired Pay, are not eligible to be placed on the Compassionate List.

27. The aggregate amount of the Allowances to the Family of any Officer shall not exceed, in ordinary cases, the amount of the Half-Pay of his Rank and Standing at the time of his death. In the case of an Officer whose death is attributable to the Service, the aggregate amount of the Allowances to his Family shall not exceed 100*l.* a year more than the amount of the Half-Pay of his Rank and Standing at the time of his death.

28. *Mothers*.—When an Officer is killed in action, or killed or drowned on duty, or dies of wounds or injuries received on duty within six months after being injured,

and leaves no Widow nor legitimate child, but leaves a Mother who is a Widow in distressed circumstances, who was dependent upon him, the Mother shall receive Pension equal to the ordinary rate of Widow's Pension attached to the rank which her Son held at the time of his death; but if such Mother shall herself be in receipt of a Pension as an Officer's Widow, or shall be in any other provision of any kind from the public, in such case no Allowance will be made to her on account of her Son, unless she gives up the other Pension or Allowance and the Pension given to a Mother on account of her Son will be forfeited on re-marriage, and will not be restored in the event of her again becoming a Widow.

29. *Sisters*.—Sisters of Officers are not eligible for Allowance, unless under very special and extraordinary circumstances. The Allowance will not exceed that which would be given to a Mother, and will not be given in any case unless the Officer shall have been killed in action, or killed or drowned on duty, or shall die of wounds or injuries received on duty within six months after being injured, and shall have left no Widow, legitimate Child, nor Mother, nor unless the Sister be an Orphan, having no surviving Brother, and shall have been dependent for support upon the Officer. Every Pension so granted will cease when the person receiving it shall marry, or be in any other manner sufficiently provided for.

30. If there be no ordinary rate of Pension attached to the rank of the Officer, such Pension may be granted by the Admiralty may see fit, in the cases of both Mothers and Sisters, under the circumstances stated in Articles 28 and 29.

BY THE QUEEN.  
A PROCLAMATION.

VICTORIA R.

WEAKS by Our Order in Council of this Day's Date, we have been pleased to annul, from and after the first day of September next, Our Royal Proclamation of the Nineteenth Day of May One thousand eight hundred and sixty-six, regulating, according to the

Scheme set forth therein or recognized thereby, the Distribution of the net Proceeds of Prizes captured from the Enemy, of Captures and Seizures under the several Acts of Parliament passed relating to the Revenues of Customs, and to Trade and Navigation, for the Abolition of the Slave Trade, for the Capture and Destruction of Pirates and Piratical Vessels, and of the Rewards conferred for the same, as also of the Awards for all Salvage granted to the Crews of our Ships and Vessels of War, when not otherwise specially apportioned by the Terms

of the respective Awards and Allowances, and in consequence of certain Alterations in the Apportionment and Classification of the Shares being desirable, it is expedient that Provision should be made for the future Distribution of such net Proceeds and Salvage not otherwise specially apportioned, and all other Monies whatsoever granted to be shared among the officers and crews of our ships and vessels in the Manner of Prize Money.

We do, therefore, now make known to all our loving Subjects, and to all others whom it may concern, by this Our Proclamation, by and with the advice and consent of Our Privy Council, that Our Royal Will and Pleasure is, and We do hereby direct, That Ships or Vessels being in sight of a prize, as also of the captor, under circumstances to cause intimidation to the prize and encouragement to the captor, shall be alone entitled to share as joint captors, and that the distribution of all such net proceeds of prizes, rewards, allowances, salvage awards, and of all bounties and grants whatsoever distributable to our Royal Navy in the manner of prize money, shall be made as follows: *Videlicet*—

That the flag officer or officers shall have one thirtieth part of the whole net proceeds arising from prizes captured from the enemy, and from all other captures and seizures, &c., as aforesaid, made by any of the ships or vessels under his or their command, and of the rewards conferred for the same, according to the following conditions and modifications, save and except as hereinafter provided and directed: that is to say—

When there is but one flag officer he shall have the entire one thirtieth part: when two flag officers shall be sharing together, the chief shall have two-thirds, and the other flag officer shall have the remaining one-third of the one thirtieth part: and when there shall be more than two flag officers, the chief shall have one-half of the said one-thirtieth part, and the remaining half shall be equally divided among the junior flag officers; commodores of the first class and captains of the fleet to share as flag officers; Provided always, That no flag officer, unless actually on board any of Our ships or vessels of war, and at the actual taking, sinking, burning, or otherwise destroying any ship or ships of war, privateer or privateers belonging to the enemy, shall share in the distribution of any head money or bounty money granted as a reward for the taking, sinking, burning, or otherwise destroying any such ship or vessel of the enemy.

That no flag officer, unless actually present at the capture or destruction of any pirates or piratical ship, vessel, or boat, shall share in any distribution of the proceeds or bounty in respect of such pirates, or of the crews of such piratical ship, vessel, or boat.

That no flag officer shall share in any remuneration or reward conferred or awarded to the crew of any of Our ships or vessels as salvage, unless he shall have been actually on board the ship or vessel to which the award shall be made, or have personally aided and assisted in the transaction at the time the service was rendered.

That no flag officer commanding in any port in the United Kingdom shall share in the proceeds of any prize captured from the enemy or in other captures, seizures, rewards, or any distributive proceeds as aforesaid, made by any ships or vessels which shall sail from or leave such port by order of the Lord High Admiral, or of our Commissioners for executing the Office of Lord High Admiral.

That when ships or vessels under the command of several flag officers belong to separate stations shall be joint captors, &c., each flag officer shall receive a proportion of the one-thirtieth part, according to the number of officers and men present under the command of each such flag officer; and when ships or vessels under orders from the Lord High Admiral, or from our Commissioners for executing the Office of Lord High Admiral, are joint captors, &c., with other ships or vessels under a flag or flags, the like regulations as to the apportionment of the flag share to the flag officer or officers are to be observed.

With reference to flag officers it is to be noted,— That when an inferior flag officer is sent to reinforce a superior officer on any station, the superior flag officer shall not share in any prize taken by the inferior flag officer before he has arrived within the limits of that station, unless the inferior officer shall have received some order directly from, and shall be acting in execution of some order issued by such superior flag officer.

No chief flag officer quitting any station, except upon some direct urgent service, and with the intention of returning to the station as soon as such service is performed, shall share in any prize taken by Our ships or vessels left behind after he has passed the limits of the

station, or after he has surrendered the command to another flag officer appointed by the Admiralty to command in chief upon such station.

An inferior flag officer quitting any station (when detached by orders from his commander) upon a special service, accompanied with orders to go to such station as soon as the service has been performed, shall have no share in prizes taken by the ship or vessels remaining on the station after he has passed the limits thereof.

In like manner flag officers remaining on such station shall not share in the prizes taken by such inferior flag officer by ships or vessels under his immediate command after he has quitted the limits of the station, and has been detached as aforesaid.

A commander-in-chief or other flag officer being any station shall not share in any prize or prize out of the limits of that station by any ship or vessel under the command of a flag officer of any other rank, or under orders from our Commissioners of the Admiralty, unless such commander-in-chief or flag officer be expressly authorised by our said Commissioners to command that station in which the prize or prizes are taken, and shall actually have taken up such command.

Every commodore having a captain under him esteemed a flag officer with respect to the third of prizes taken, whether he be commanding in or serving under command.

The first captain to the Admiral and commander-in-chief of Our fleet, and also the first captain to a flag officer appointed to command a fleet of ten ships of the line upwards, shall be deemed to be a flag officer for the purpose of sharing in prize, and shall be entitled to share therein as the junior flag officer of such fleet.

Any officer on board any of Our ships of war, who has more commissions than one shall be entitled to share in such prize or prizes according to the allotment to him by the above-mentioned distribution in respect of his superior commission or office.

And with reference to these regulations it is noted that a captain, commander, or other commander of a ship or vessel shall be deemed to be in command of a flag when he shall actually have received some order from, or be acting in the execution of some order issued by a flag officer, whether he be acting within the limits of the station of such flag officer, or in the event of his being directed to join a flag officer, any station he shall be deemed to be under the command of such flag officer from the time when he arrives within the limits of the station, which circumstance is to be carefully noted in the log-book; and it shall be considered that he continues under the flag officer of that station until he shall have received some order directly from, or be acting in the execution of some order issued by some other flag officer duly authorized, or by the Lord High Admiral, or our Commissioners for executing the Office of Lord High Admiral.

And We hereby direct, that the captain, commander, lieutenant commanding, staff commander commanding, navigating lieutenant commanding, or any other flag officer commanding any ship, sloop, or vessel of war, singly making a capture or seizure, or otherwise entitled to the distributive benefit arising from prizes, rewards, grant, bounty, salvage, or other proceeds as aforesaid, that is to say, the officer actually in command at the time, shall have one-tenth of the remainder. If there is no flag, one-tenth of the entire net proceeds except that if the single capturing ship be a rated ship having a commander under the captain the commander shall take a portion of the one-tenth part as if he were commander of a sloop according to the proportion after set forth; and if more than one commanding officer of the same rank or command shall be entitled to share as joint captors, &c., the one-tenth shall be divided between them; but when captains, commanders, lieutenants, staff commanders, and navigating lieutenants, and commanders under captains in rated ships, shall share together, in whatever variety of command the one-tenth shall be so divided into parts for apportionment as to provide for each captain commanding six parts, each commander of a sloop, or commander under the captain in a rated ship, three parts, each lieutenant commanding, staff commander commanding, or navigating lieutenant commanding, or other officer actually commanding, a small vessel of war, two parts, which We hereby direct shall be the proportion in which they shall respectively share; commodores of the

**CIRCULAR No. 33.—LMM.***Admiralty, 6th May 1872.***(SHIPS' AGENTS.)****(Naval Agency and Distribution Act, 1864.)**

The Lords Commissioners of the Admiralty have observed that the provisions of the Naval Agency and Distribution Act, 1864 (27 and 28 Vict. cap. 24), relating to the appointment of Ships' Agents, have not in all cases been complied with; and they desire to call the attention of Naval Officers to this Act generally, and especially to Sections 4 and 5, which impose a duty on the Commanding Officers of Her Majesty's Ships.

2. Section 4 is as follows:—"Each of Her Majesty's Ships of War shall at all times while in Commission have, for the purposes of this Act, an Agent styled the Ship's Agent, to be appointed in the first instance as soon as may be after the Ship is put in Commission, and afterwards from time to time as a vacancy in the office or other occasion may require;"—and

Section 5. "The Ship's Agent shall be appointed from time to time at pleasure by the Commanding Officer of the Ship for the time being, by an instrument signed and attested in the form given in the schedule to this Act."

The schedule contains the form of appointment of Ships Agent.

(\*) Name of Officer.

(\*) Description and name of Ship.

(\*) Name of Agent.

(\*) Address of Agent.

3. As great inconvenience has occasionally arisen from the want of a properly constituted Ship's Agent in this country, my Lords desire that, upon a Ship being in Commission, the Officer appointed to the command without delay, appoint a Ship's Agent in accordance with the provisions of the above-recited Act, and report the name of such Agent (as also the name of the substituted Agent) to their Lordships' Secretary.

4. In the event of its being found necessary to institute proceedings against any Vessel or property, the Commanding Officer will take care that all costs and expenses incurred in such proceedings are paid either by him or by arrangement with the Ship's Agent. **CIRCULAR No. 71.—LMM.***Admiralty, 7th November 1871.***(COSTS OF PROSECUTION IN SLAVE CASES OR UNDER THE KIDNAPPING ACT, 1872.)**

The attention of my Lords Commissioners of the Admiralty having been called to the inadequacy of the provision made to meet the expenses incurred by the Commanding Officers of Her Majesty's Ships in conducting prosecutions under the Kidnapping Act, 1872, that ships are pleased to direct that Circular No. 24 of January, 1871 (Costs of Prosecution in Slave Cases) shall be cancelled, and that the following Rules shall be substituted for those contained therein:

"1. In case any proceedings shall have been instituted in any Court of Vice-Admiralty or Mixed Courts by or on behalf of any of Her Majesty's Ships, or of any of the matters enumerated in the 12th section of the Naval Agency and Distribution Act, 1864, the Commanding Officer of such Ship shall be under no obligation to pay the legal expenses attending the prosecution or to negotiate a bill for the amount on the Ship. He will be at liberty to demand from the Paymaster of his Ship an advance of public money for the purpose. The amount of such advance, which must not exceed 100*l.*, is to be debited by the Paymaster on the General Ledger against the pay of such Commanding Officer who can reimburse himself by drawing on the Ship's Agent for the amount when opportunity shall occur."

"2. In case any proceedings shall have been instituted by or on behalf of any of Her Majesty's Ships in any of the matters under the Kidnapping Act, 1872, the Commanding Officer will be at liberty to obtain from the Paymaster of his Ship an advance of public money for the purpose. The amount of such advance, which must not exceed 200*l.*, will be charged as an Imprest on such Commanding Officer until the Treasury (if they so decide) shall repay the same under the 12th clause of the said Act."

"3. It is desirable that the approval of the Commanding Officer or Senior Officer on the Station should be obtained before such application of public money. Should the delay necessary to obtain such approval in any case inconvenient, the advance may be made on the sole authority of the Commanding Officer of the Ship, the case being afterwards reported to the Commanding Officer or Senior Officer."

And that such Share or Shares of the Admiral or Admirals as aforesaid, to which he or they shall not be entitled on the Conditions hereinbefore expressed, shall go and belong to the Captain or Officer commanding the Ship or Vessel in which the Gold, Silver, Treasure, or other Article shall be carried on freight as aforesaid.

That in the Event of Loss or Damage happening to the Gold, Silver, Jewels, or other Articles so received on Freight, exceeding the total Freight Money, Greenwich Hospital shall not be entitled to receive any Sum on account of such Freight; and in Cases in which the Loss may not amount to the Whole of the Freight Money, Greenwich Hospital shall be entitled only to its Proportion of the Balance of Freight Money over and above such Loss or Damage.

Admiralty, 4th Janr 1819

SIR,—My Lords Commissioners of the Admiralty having had under their consideration a question as to the Freight Money to be allowed for treasure deposited on board His Majesty's ships for custody, have decided that freight for such a deposit should be paid as if such deposit were a conveyance from one station to another within the same station, and divided (where it has been on board more than one of His Majesty's ships) among the Captains, as the conveyance would have been;—in all cases the Hospital is to have a share; and where, after a deposit, new bills of lading, or new orders for freight either on board another ship or the same ship, are made, the freight established for such cargo by the Order in Council is to be charged, over and above the freight which might be already due on the deposit.

I have it in command from their Lordships that you therewith for your information and guidance.

## ENTRY AND DISCHARGE OF PETTY OFFICERS, SEAMEN, AND MARINES.

### REGULATIONS FOR THE EXAMINATION OF SEAMEN, AND BOYS FOR ADMISSION INTO THE ROYAL NAVY AND MARINES.)

#### Article of Addenda to Queen's Regulations.

1. An Officer is directed to examine any person presenting himself to the Naval Service, or into the Army, to observe whether he has any visible injuries to the bones of the head, whether his hearing is defective, whether he has any impediment of speech, or other defects, and should any of these or other defects exist to such an extent as to render the person unfit for the discharge of his duty, he is to be refused admission without carrying the examination.

2. Should any person present no outward defects, he is to be directed to divest himself of his clothing; and the Medical Officer is to make a careful inspection of the person, that it is not only in itself free from disease, but that it shows no evidence or sign of the

existence of any internal complaint or constitutional derangement.

He is to ascertain that there is a proper and just proportion between the different members of the body, that there is no spinal weakness or deformity, that the limbs are of equal length, strong, and well developed, that there are no visible marks of previous fracture, depression, or disease of the bones of the head, nor adherent cicatrices, that the eyes are clear, intelligent, and expressive of health, the eyesight good, and the hearing perfect in both ears, that there is no defect or deformity of the bones of the nose, and that the teeth are good, strong, and sufficient in number.

The chest should be carefully examined in reference to its form and capacity, and the condition of the heart and lungs ascertained by percussion and auscultation.

The abdomen is next to be examined for the purpose of detecting any enlargement or disease of the contained viscera, or predisposition to hernia from whatever cause.

The Examining Officer shall next direct the person to extend, and slowly raise his arms until the hands meet above his head; he is then to perform the various movements of the shoulder, elbow, and wrist joints; to flex and extend, supinate and pronate the forearm; to flex

and extend the fingers and thumbs; and, by holding on by a rope, show that he can bear the weight of the body clear of the ground without any difficulty, with each hand, for at least five seconds.

In the examination of the lower extremities, the person is to be made to walk backwards and forwards, to hop first on one foot, and then on the other, to flex and extend the limbs and feet to show that the movements of the various joints can be freely and rapidly performed.

Persons of whatever class, or age, who are found to be labouring under any of the undermentioned physical defects or infirmities, are to be considered unfit for Her Majesty's Service:—

1. A weak constitution arising from imperfect development, or weakness of the physical powers of the body, or from chronic disease, constitutional depravity, wounds or injuries.

2. Chronic eruptions on the skin or scalp; syphilis, primary or constitutional; gonorrhoea; extensive marks of cupping, leeching, or blistering, or of issues. Marks of punishment are to be reported to the Commanding Officer.

3. Malformation of the head, with a dry, harsh, divergent state of the hair of the scalp, fracture or depression of the bones of the skull, disordered intellect or imbecility, epilepsy, paralysis, or impediment of speech.

4. Blindness or defective vision in one or both eyes, fistula lachrymalis, and ptosis.

5. Impaired hearing, or discharge from one or both ears, disease or thickening of the lining membrane of the external ear.

6. Disease of the bones of the nose or of its cartilages, and polypus.

7. Disease of the throat, palate, or tonsils; unsound teeth, offensive breath from constitutional causes, unhealthy gums, scrofulous disease of the glands of the throat or neck, external cicatrices, whether from scrofulous sores or suicidal wounds.

8. Functional or organic disease of the heart or blood vessels, deformity or contraction of the chest, flattening of the sub-clavicular regions, phthisis, hæmoptysis, bronchitis dyspnoea, aphonia, chronic cough, or other symptoms of tubercular exudation into the pulmonary tissues.

9. Swelling or distension of the abdomen, undue obesity, disease or enlargement of the liver, spleen, or kidneys. Rupture, weakness or distension of the abdominal rings; stricture of the urethra, incontinence of urine or urinary fistula.

10. The non-descent of one or both testicles, varicocele, hydrocele, and sarcocele.

11. Fistula or fissure of the anus, hæmorrhoids, condylomata, or prolapsus of the rectum.

12. Paralysis, weakness, impaired motion, or contraction of the upper or lower extremities from whatever cause; aneurism, a varicose state of the veins, especially of the leg. Chalky deposits, bunions, distortion, deformity, or malposition of the fingers or toes; nodes; flat-footedness.

13. Distortion of the spine, of the bones of the chest or pelvis, from injury or constitutional defect.

No person is to be admitted into Her Majesty's Service unless he has had smallpox, or has been vaccinated, and should the vaccine cicatrix not be considered satisfactory he is to be reported fit only on condition that he immediately submits to the operation.

As it is clearly possible that some of the preceding defects or disabilities may exist in a very minor degree, the Examining Officers must necessarily, in such cases, be guided by their own judgment as to whether they are of such importance as entirely to disqualify a man or boy for the Service; observing, however, that no person is to be reported fit unless he is likely to continue efficient and serviceable in any climate, and under all the vicissitudes of the Service for a period of not less than ten years.

All persons examined for entry into the Naval Service or Marines by a Medical Officer, are to be entered on a list in the Medical Journal of the Ship, in the Nosological Returns from Hospitals and Marine Infirmeries, and in the Weekly Returns rendered by Surgeons and Agents; and no man or boy who has been reported fit for the service by a Medical Officer of the Royal Navy or of the Royal Marines is to be again subjected to examination, unless he re-enters for continuous service, or there is reason to believe that he is labouring under some disability contracted or sustained since his entry,—or, on going on foreign service.

(d). A notation of "Exemplary" character having been awarded is to be made at the same time against the names of such men in the Service and Conduct Book.

(e). In awarding this character Commanding Officers are to be careful to use their discretion; and are not to consider that they are bound to give the character merely because a man has kept clear of the Defaulter's Book, escaped punishment, and fulfils the letter of the conditions, which render him eligible for the character. *A man's conduct must be specially excellent to deserve the character of "Exemplary."*

(f). The character of "Exemplary" is not, under any circumstances, to be given for any year in which a man has been in the Second Class for Conduct, or has been directed for misconduct, or has been imprisoned, by the Civil Power or otherwise, or confined in cells, or deprived of a Badge, or Good Conduct Medal, or has been placed below the privileged class for leave.

(g). Ten years of continuous "Exemplary" character will entitle a man to medal, and fifteen years of continuous "Exemplary" character to gratuity, *provided he has never, during the whole of his previous Service in time reckoning for Pension, deserted, or been in the Second Class for conduct, or imprisoned by the Civil Power or otherwise, or been awarded a character inferior to "Very Good," except one year of "Good," in his first 5 years of time, reckoning for Pension.*

**NOTE.**—The character given in such portion of Boy's service as does not reckon for Pension has no effect on his claim to Medal and Gratuity; but that given in such portion of a Boy's service as does reckon for Pension, under former regulations, must not be inferior to "Good" in order to give him a claim.

A break in service caused by a man being invalided will not be considered as breaking the continuity of his "Exemplary" character, provided he rejoins as soon as the state of his health will admit.

(A). Desertion, reduction to the Second Class for Conduct, Imprisonment, by the Civil Power or otherwise, or the award of "Fair" character, during any portion of the time which reckons for pension, shall render a man absolutely ineligible for Medal or Gratuity, except as provided for in the following paragraph.

(i). In order not entirely to exclude from the honour of a Medal, a man who may have committed himself in the early years of his service reckoning for Pension, but who may have since become an exemplary character, the Lords Commissioners of the Admiralty will consider (with reference to the grant of a Medal without gratuity) the case of any man who can show fifteen years of continuous "Exemplary" character, notwithstanding anything he may have done, or any character which may have been awarded to him, except "bad" or "indifferent" in his previous service.

(k). The Lords Commissioners of the Admiralty will also consider the case of any man who would be excluded under the foregoing regulations, but who may be specially recommended on account of his having shown highly exemplary conduct in action, or otherwise.

(l). A man to whom a Medal has been awarded will be liable to be deprived of it summarily by Warrant under the hand of his Captain for subsequent misconduct, subject to the ultimate approval of the Commander-in-Chief, or Officer in command of the Station, or of the Admiralty when the Captain may not be serving under the orders of a senior officer; the deprivation to take place publicly, and to carry with it the forfeiture of any claim to Good Conduct Gratuity on discharge. The medal to be returned to the Accountant-General of the Navy.

**NOTE.**—The infliction of any of the punishments mentioned in paragraph (g), after a medal has been awarded, entails forfeiture of the medal; except as provided for in the following article; but if "very good" character is given for the year in which the deprivation takes place, the medal may be restored after ten years of continuous "exemplary" character after the year in which the medal was taken away.

(m). A man may be deprived of his Medal being deprived of any Good Conduct Badge, left to the discretion of Commanding Officers to take away one badge without depriving a man of his Medal.

If a Badge is taken away without loss of Medal is not to be worn until the Badge is restored.

If the Badge is not regained within two years from the date of deprivation, the Medal is forfeited; and the deprivation is to take place as above directed.

If two or more badges are taken away, a only; or, if a man loses a second badge, absolutely forfeited, and the deprivation is to be publicly as above directed.

Notations on Parchment Certificates are to be made in all cases of suspension and restoration, of a sequence of the loss of a badge; and also in all cases of absolute forfeiture.

(n). Men who have for ten consecutive years given the character of "Exemplary" under the conditions, may be recommended for Medal at the end of their service after the completion of ten years.

(o). Men who have for fifteen consecutive years given the character of "Exemplary" under the conditions, may be recommended, *on their Pension, for Gratuities in addition to their Medal.*

The Scale for Gratuities shall be as follows:—  
Chief Petty Officers, having served 20 years, and First Class Petty Officers, more than ten years.

First Class Petty Officers, having served 15 years, such for not less than ten years.

Second Class Petty Officers, having served 10 years, such for not less than seven years.

Leading Seamen, having served 5 years, such for not less than five years.

Able Seamen and others not excluded by paragraph (g).

(p). In cases where the man recommended has served the full period to entitle him to a Medal, applicable to his rating, he shall receive the Medal at lower rates, with reference to his comparative capacities, as many, in the opinion of the Commanding Officer, be proper to award to him.

(q). Neither Medals nor Gratuities will be bestowed on Ordinary Seamen, Third Class Third Class Signalmen, Second and Third Class Stewards, Ship's Stewards' Assistants, Berth Attendants, and boys of every description.

(r). Lists of men recommended for Medals and Gratuities are to be transmitted to the Admiralty, in the form prescribed for the purpose, by the Commanding Officers at Home and Abroad, and by Divisional Officers of Coast Guard, as soon as they become eligible for them, and when the necessary approval has been received, the Medals and Gratuities are to be presented before the Ship's Captain of the Ship.

A complete history of badges, showing award, deprivation, and restoration, must be kept, and the copies of Certificate sent in to office.

(s). It must be distinctly understood that Medals are only to be granted after ten years of "Exemplary" character, on the condition that the recipients are to be recommended for Long Service Pension, unless invalidated by the event of a man who has been granted a Medal, and is going on serving to complete such time, to render the Medal on his discharge, or on completion of fifteen years of man's service, in which case he may retain it.

(t). If it is desired that men who have been recommended for Medals should also be given Gratuities, recommendation must be made for the latter on the same form recommended for Pension.

(u). In the case of a man who has just been discharged from the Army, the general character given to him by his Captain will be taken as his character for the whole of his Army Service, subject, however, to the condition that he has given "Very Good" character for ten consecutive years of "Very Good" character after punishment.

(v). These Regulations are to come into force on the 1st day of July 1870, and are to apply to all the ratings herein mentioned borne on Her Majesty's Ships and Vessels; and to Royal Naval Divisions as well as Embarked.

#### Temporary Provision.

"2. The Lord High Admiral, or the Commissioners for executing his office, herein-after called the Admiralty, may enrol as Officers of Reserve to the Royal Navy so many of such persons as aforesaid as the Admiralty may from time to time deem expedient, under and subject to such rules, orders, and regulations as the Admiralty may, with the consent of Her Majesty in Council, from time to time establish; and such persons so enrolled shall bear such rank in respect to the Officers of the Royal Navy as the Admiralty may from time to time direct, and shall when called out for training or exercise, or on actual service, be subject to all the laws, regulations, and customs for the time being in force for the government and discipline of the Royal Navy.

"3. Such persons so enrolled as Officers of Reserve shall be entitled to receive such pay and allowances as the Admiralty, with the consent of Her Majesty in Council, may from time to time appoint; and if any such person is disabled or receives any hurt or wound in actual service, he shall be entitled to the same allowance or pension in respect thereof as an Officer of the Royal Navy of corresponding rank would be entitled to under similar circumstances; and if any such person is killed in action, or dies from any wound or accident resulting from the performance of his duty, his widow (if any) shall be entitled to the same pension as the widow of an officer of the Royal Navy of corresponding rank would be entitled to under similar circumstances.

"5. All rules, orders, and regulations relating to persons enrolled as Officers of Reserve to the Royal Navy made before the passing of this Act by the Admiralty, with the consent of Her Majesty in Council, shall, with respect to all persons enrolled before the passing of this Act, continue in force as if this Act had not been passed, and shall also extend and apply, far as may be (mutatis mutandis), to all persons so enrolled after the passing of this Act, but so that any rules, orders, and regulations made as aforesaid from time to time under this Act may repeal or alter all or any part of any rules, orders, and regulations made before the passing of this Act, and shall, unless otherwise expressed, extend and apply as well to persons so enrolled before the passing of this Act as to persons so enrolled after the passing of this Act.

"6. On the passing of this Act the Act of the twenty-fourth and twenty-fifth years of Her Majesty (chapter one hundred and twenty-nine) enabling Her Majesty to accept the services of Officers of the Merchant Service as Officers of Reserve to the Royal Navy, shall be repealed; but this repeal shall not affect the past operation of the said Act, or the validity of anything already done, or any right, title, or obligation already accrued thereunder.

And whereas the Lords Commissioners of the Admiralty have submitted for the approval of Her Majesty the Regulations appended to this Order, as if they were to be substituted for the Regulations made under the Act twenty-four and twenty-five Victoria, chapter one hundred and twenty-nine:

Now, therefore, Her Majesty is pleased to direct that the said Regulations appended to this Order shall have effect from the date hereof.

But on a special report being made to the Lords Commissioners of the Admiralty by the Commanders of such Drill or Gunnery Ship in the United Kingdom, or by the Captain of such ship abroad, to the effect that a Lieutenant or Sub-Lieutenant of the Reserve is competent to instruct and drill men of the Reserve, then such Lieutenant or Sub-Lieutenant will be required to undergo seven days' test drill each year, and if such test drill is performed to the satisfaction of the officer superintending the drill, the further twenty-one days will be dispensed with; but if the seven days' test drill is not satisfactory, the further twenty-one days' drill must be performed.

Sub-Lieutenants . . . . . 7s. a day.

All Officers called out for service will mess with Officers of their respective ranks in the Royal Navy.

Officers will be subject to naval discipline when attending drill, and when called out for actual service; and will also at any time whilst belonging to the Reserve be liable to lose their Commissions for conduct unbecoming the character of Her Majesty's service, at the discretion of the Lords Commissioners of the Admiralty. They are expected to provide themselves with a copy of the Queen's Regulations and Admiralty Instructions.

#### Service Afloat.

Officers of the Royal Naval Reserve will be called out for actual service by Royal Proclamation; and they will be liable to serve during the continuance of any national emergency, or until they may be regularly discharged by the direction of the Lords Commissioners of the Admiralty.

#### Pay and Allowances, and Pensions to Widows.

Officers will, whilst called out for actual service, receive the pay of their corresponding ranks in the Royal Navy.

Officers who may receive hurts or wounds whilst on active service in the Royal Navy, or whilst undergoing drill, will receive the same pensions and allowances to which Officers in the Navy would be entitled under similar circumstances.

#### Repeal.

All Rules, Orders, and Regulations made in pursuance of the Act twenty-four and twenty-five Victoria, chapter one hundred and twenty-nine, shall be repealed from the date when these Regulations come into operation; but this repeal shall not affect the validity of anything already done, or any right, title, obligation, or liability already accrued thereunder.

## QUALIFICATIONS FOR THE ORDER OF THE BATH

### Extract from Supplementary Statutes of 24th June 1861.

It is ordained that the Military Division of the Third-class, or Companions, may be increased to six hundred and ninety, and shall not, except under special and temporary exigencies, exceed that number; and that no person shall be nominated thereto who doth not actually hold at the time of his nomination a Commission in our Army or Marines, or in our Indian Military Forces, or above the rank of Major, or a Commission in our Navy, or in our Indian Naval Forces, or of above the rank of Commander, or a Commission of equivalent or higher rank in the Commissariat Service of our Army, or Indian Military Forces, or in the Medical Service of our Army, Navy, or Indian Military and Naval Forces; nor shall any person be admitted into this Division unless his services have been marked by the especial mention of his name in despatches, as having distinguished himself by his valour and conduct in action against the

enemy, in the command of a ship of war, or troops, or at the head of a Military Department, having by some Active Service, under his own conduct and direction, contributed to the success of such action; provided, nevertheless, and We do declare that this last-mentioned regulation shall be applicable to Commissariat and Medical Officers instead thereof. We further declare, that no Commissariat or Medical Officer shall be competent to be an ordinary member of the Military Division of the First and Third Classes of the said Order unless it appear to us that by his meritorious services in war, in providing for the wants of our Army, or Indian Military Forces, or in taking care of the wounded Officers, Soldiers, and Seamen of our Army, Navy, or of our Indian Military and Naval Forces, he has deserved such distinction.

## REGULATIONS RESPECTING FOREIGN ORDERS.

The Queen has been pleased to direct that the following Regulations respecting Foreign Orders and Medals shall be substituted for those now in force.

1. No Subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal Sign Manual.

2. Such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished

Service before the Enemy, either at Sea or on land, or unless he shall have been actually and employed beyond Her Majesty's dominions, in the service of the Foreign Sovereign by whom the Order was conferred.

3. The intention of a Foreign Sovereign to upon a British Subject the insignia of an Order, notified to Her Majesty's Principal Secretary

War Affairs, either through the British Minister at the Court of such Foreign Sovereign, or through the Minister accredited at the Court of Her Majesty, the service for which it is proposed to confer the Decoration was performed during War, the Notification of the preceding Clause must be made not later than six months after the exchange of the Ratification of Peace.

If the service has been performed in time of Peace, the Notification must be made within two years after the termination of the service.

If the Notification shall have been received, the Principal Secretary of State for Foreign Affairs, if the case comes within the conditions of the present Regulations, and arises from the performance of Services before the Enemy, refer it to the Principal Secretary of State for the War, who, in conformity to taking Her Majesty's pleasure, is in order to ascertain whether there be no objection to Her Majesty's permission being

granted. Reference shall also be made to the Commander-in-Chief, if the application relates to an Officer in the Army, to the Lords of the Admiralty, if it relates to the Navy.

The Majesty's Principal Secretary of State for Foreign Affairs shall have taken the Queen's pleasure in the application, and shall have obtained Her Majesty's permission for the person in whose favour it is made to accept the Foreign Order, and wear the same. He shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, so that he may cause the Warrant of Appointment to be prepared for the Royal Signification.

The Warrant shall have been signed by the Commander-in-Chief thereof shall be inserted in the London Gazette, the service for which the Foreign Order is granted.

When signifying Her Majesty's permission, the Principal Secretary of State, and at the expense of the person in whose favour it is granted, be registered in the College of Arms.

The Warrant as aforesaid shall contain a declaration that Her Majesty's license and permission authorize the assumption of any style, rank, precedence, or privilege appertaining to the Order of Her Majesty's Realm.

9. When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Decoration of a higher class of the same order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred.

10. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on British Subjects by Her Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 2 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

*Foreign Office, May 10th, 1855.*

## REGULATIONS RESPECTING FOREIGN MEDALS.

1. Applications for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a Foreign Sovereign on British Subjects in the Army or in the Navy, for military or for naval services should be addressed, as the case may be, to the Commander-in-Chief, or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs, for Her Majesty's sanction; upon obtaining which they may grant such permission without any other formality.

2. Any British Subject is at liberty to accept and wear a Foreign Medal, not being the Decoration of a Foreign Order, bestowed by competent authority for acts of bravery in saving human life. An Officer, Soldier, Marine, or Sailor must, however, first obtain permission from the Commander-in-Chief, or the Lords of the Admiralty, as the case may be.

3. No permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

*Foreign Office, Jan. 1870.*

CLARENDON.

## THE VICTORIA CROSS.

1. Taking into Our Royal consideration that the means of adequately rewarding the individual services either of Officers of the lower ranks of the Naval and Military Service, or of Warrant Officers, Gunmen, and Marines, in our Navy, or of Officers and Soldiers in our Army, of the Third Class of Our Most Honourable Order, is limited, except in very rare cases, to the ranks of both Services, and the fact that, both in our Navy and Army, is only by some act of meritorious conduct, rather than by distinction before an enemy, we have decreed that where a general medal is conferred for some action or campaign, or a clasp is awarded for some especial engagement, in both Services, all who have shared equally in the boon, and those who have been particularly signalled themselves, shall be distinguished from their comrades, by the award of attaining an end so desirable as the conferring of individual instances of merit and reward, and by these means, we have instituted and created, and by these means, we have highly prized and eagerly sought after, and Men of Our Naval and Military Services have been pleased to make, ordain, and establish rules and ordinances for the award of the Victoria Cross, which shall from henceforth be so awarded and kept:

2. It is decreed, that the distinction should be conferred, "the Victoria Cross," and shall

consist of a Maltese Cross of Bronze, with our Royal Crest in the centre, and underneath which an escroll, bearing this inscription "For Valour."

Secondly.—It is ordained that the Cross shall be suspended from the left breast by a blue riband for the Navy, and by a red riband for the Army.

Thirdly.—It is ordained, that the names of those upon whom We may be pleased to confer the Decoration shall be published in the "London Gazette," and a registry thereof kept in the office of Our Secretary of State for War.

Fourthly.—It is ordained, that anyone who, after having received the Cross, shall again perform an act of bravery, which, if he had not received such Cross, would have entitled him to it, such further act shall be recorded by a Bar attached to the riband by which the Cross is suspended, and for every additional act of bravery an additional Bar may be added.

Fifthly.—It is ordained, that the Cross shall only be awarded to those Officers or men who have served Us in the presence of the enemy, and shall have then performed some signal act of valour, or devotion to their country.

Sixthly.—It is ordained, with a view to place all persons on a perfectly equal footing in relation to eligibility for the Decoration, that neither rank, nor long service, nor wounds, nor any other circumstance or condition whatsoever, save the merit of conspicuous bravery, shall be held to establish a sufficient claim to the honour.

Seventhly.—It is ordained, that the Decoration may be conferred on the spot where the act to be rewarded by the grant of such Decoration has been performed, under the following circumstances:—

I. When the Fleet or Army, in which such act has been performed, is under the eye and command of an Admiral or General Officer commanding the Forces.

II. Where the Naval or Military Forces under the eye and command of an Admiral or Commodore commanding a squadron or detached naval force, or of a General commanding a corps, or division or brigade on a distant and detached service, when such Admiral, Commodore, or General Officer shall have the power of conferring the Decoration on the spot, subject to confirmation by Us.

Eightieth.—It is ordained, where such act shall not have been performed in sight of a Commanding Officer as aforesaid, then the claimant for the honour shall prove the act to the satisfaction of the Captain or Officer commanding his ship, or to the Officer commanding the regiment to which the claimant belongs, and such Captain or such Commanding Officer shall report the same through the usual channel to the Admiral or Commodore commanding the force employed on the service, or to the Officer commanding the forces in the field, who shall call for such description and attestation of the act as he may think requisite, and on approval shall recommend the grant of the Decoration.

Ninethy.—It is ordained, that every person selected for the Cross, under rule seven, shall be publicly decorated before the Naval or Military force or body to which he belongs, and with which the act of bravery for which he is to be rewarded shall have been performed, and his name shall be recorded in a General Order, together with the cause of his especial distinction.

Tenthly.—It is ordained that every person selected under rule eight shall receive his Decoration as soon as possible, and his name shall likewise appear in a General Order as above required, such General Order to be issued by the Naval or Military Commander of the Forces employed on the service.

Eleventhly.—It is ordained that the General Orders above referred to shall from time to time be transmitted to Our Secretary of State for War, to be laid before Us, and shall be by him registered.

Twelfthly.—It is ordained that as cases may arise not falling within the rules above specified, or in which a claim, though well founded, may not have been established on the spot, We will, on the joint submission of Our Secretary of State for War and of Our Commander-in-Chief of Our Army, or on that of Our Lord High Admiral or Lords Commissioners of the Admiralty in the case of the Navy, confer the Decoration, but never without conclusive proof of the performance of the act of bravery for which the claim is made.

Thirteenthly.—It is ordained that, in the event of a gallant and daring act having been performed by a squadron, ship's company, a detached body of Seamen

and Marines not under fifty in number, or by a brave regiment, troop, or company, in which the Admiral, General, or other Officer commanding, or any of them, deem that all are equally brave and distinguished, that no special selection can be made by them; in such case, the Admiral, General, or other Officer commanding, may direct, that for any such body of Sea or Marines, or for every troop, or company, of which one Officer shall be selected by the Officers engaged for Decoration; and in like manner one Petty Officer or Commissioned Officer shall be selected by the Officers and Non-commissioned Officers engaged for Decoration; and the Seamen, or Private Soldiers, or Marines engaged respectively, for the Decoration; and the names of those selected shall be transmitted by the Senior Officer in command of the Naval force, brigade, regiment, or company, to the Admiral or General Officer commanding, who shall in due manner confer the Decoration; the acts were done under his own eye.

Fourteenthly.—It is ordained that every Officer, Petty Officer, Seaman, or Marine, or Non-commissioned Officer or Soldier, who shall have received the Cross shall, from the date of the act by which the ration has been gained, be entitled to a Special Pension of Ten Pounds a year, and each additional Bar under rule four on such Warrant or Petty Officer or Non-commissioned Officer or Men, shall carry with it an Additional Pension of Five Pounds per annum.

Fiftiethly.—In order to make such additional pension shall effectually preserve pure this most valuable distinction, it is ordained, that if any person whom such distinction shall be conferred, be guilty of treason, cowardice, felony, or of any infamous crime, or if he be accused of any such offence and doth a reasonable time surrender himself to be tried, and his name shall forthwith be erased from the registry of individuals upon whom the said Decorations shall have been conferred by an especial Warrant Our Royal Sign Manual, and the Pension conferred by rule fourteen shall cease and determine from the date of such Warrant. It is hereby further declared, that Our Heirs and Successors, shall be the sole judges of the circumstance demanding such expulsion; and shall at all times have power to restore such person at any time have been expelled, both to the enjoyment of the Decoration and Pension.

Given at our Court at Buckingham Palace, the ninth of January, in the nineteenth year of Us, and in the year of Our Lord one thousand eight hundred and fifty-six.

By Her Majesty's Command,  
PAUL SMITH, Secy.

## THE ALBERT MEDAL.

Extending the two Decorations styled "THE ALBERT MEDAL OF THE FIRST CLASS" and "THE ALBERT MEDAL OF THE SECOND CLASS" to cases of Gallantry in the Sea and on Land.

By the Grace of God, of the United Kingdom of Great Britain and Ireland, Queen, Defender of the Faith, &c., to all to whom these presents shall come, greeting.

Whereas a Warrant was given under Our Royal Sign Manual, bearing date the 7th March 1860, in the 29th year of Our said Majesty's said Majesty, instituting a new decoration to be styled "The Albert Medal," and such Warrant was in the following tenor, that is to say:—

By the Grace of God, of the United Kingdom of Great Britain and Ireland, Queen, Defender of the Faith, &c., to all to whom these presents shall come,

Whereas, We, taking into Our Royal consideration the loss of life is sustained by reason of shipwreck and other perils of the sea; and taking also into consideration the many daring and heroic actions performed by mariners and others to prevent such loss and the lives of those who are in danger of perishing from the effects of wrecks and perils of the sea; and taking into consideration the expediency of distinguishing persons by some mark of Our Royal favour:

For the purpose of attaining an end so desirable as rewarding such actions as aforesaid, We have caused, and by these presents for Us, our heirs and successors, to institute and create, a new Decoration, which We are desirous should be highly prized and eagerly sought after, and are graciously pleased to make, ordain, and establish the following rules and Ordinances for the government of the same, which shall be and be invariably observed and kept.

That the distinction shall be by the said "The Albert Medal," and shall consist of a gold oval-shaped badge or decoration enamelled in dark blue, with a monogram composed of the letters V. and A. interlaced with an Anchor erect in gold, surrounded with a wreath of laurel, inscribed in raised letters of gold "VICTORIA REGINA," surmounted by the Crown of the Crown of the Queen, and surmounted by the Prince Consort, and surrounded from the sides by five-eighths of an inch in width with five horizontal stripes.

That it is ordained, that the Medal shall be suspended from the left breast.

That it is ordained, that the names of those persons to be pleased to confer the Decoration shall be published in the "London Gazette," and a record kept in the Office of the Board of Trade.

That it is ordained, that anyone who, after receiving the Medal, again performs an act which entitles him to the Medal, would have entitled him to a second set shall be recorded by a bar on the ribbon by which the Medal is suspended;

and for every such additional act an additional bar may be added.

"Fifthly.—It is ordained, that the Medal shall only be awarded to those, who, after the date of this instrument, have, in saving or endeavouring to save the lives of others from shipwreck or other peril of the sea, endangered their own lives, and that such award shall be made only on a recommendation to Us by the President of the Board of Trade.

"Sixthly.—In order to make such additional provision as shall effectually preserve pure this most honourable Distinction, it is ordained, that if any person on whom such Distinction is conferred be guilty of any crime or disgraceful conduct which in Our judgment disqualifies him for the said Decoration, his name shall forthwith be erased from the registry of individuals upon whom the said Decoration shall have been conferred by an especial Warrant under Our Royal Sign Manual, and his Medal shall be forfeited. And every person to whom the said Medal is given, shall, before receiving the same, enter into an engagement to return the same if his name shall be so erased as aforesaid under this regulation. It is hereby further declared, that We, Our heirs and successors, shall be the sole judges of the circumstance demanding such expulsion. Moreover, We shall at all times have power to restore such persons as may at any time have been expelled to the enjoyment of the Decoration."

And whereas a Warrant was given under Our Royal Sign Manual, bearing date the 12th day of April 1867, in the 30th year of Our reign, intituled a Warrant revoking a Warrant dated the 7th day of March 1860, instituting a new Decoration to be styled "The Albert Medal," and instituting in lieu thereof two new Decorations, to be styled respectively "The Albert Medal of the First Class" and "The Albert Medal of the Second Class."

And whereas the Warrant of the 12th day of April 1867, after reciting the said Warrant of the 7th day of March 1860, proceeded as follows:

"And whereas it has been represented to Us, that mariners and others perform many acts in preventing loss of life from shipwreck and other perils of the sea, that are not of a character sufficiently daring and heroic to entitle them under Our warrant above cited, and are yet worthy of some distinguishing mark of Our Royal favour. And whereas We, taking into our consideration that it is expedient to reward such mariners and others who perform heroic actions to prevent loss of life from shipwreck and other perils of the sea, are pleased, in place of the Decoration created by Our Warrant of the 7th March 1860, to institute and create two Decorations, which We are desirous should be highly prized and eagerly sought after, and are graciously pleased to make, ordain, and establish the following Rules and Ordinances for the government of the same, which shall from henceforth be invariably observed and kept.

"First.—It is ordained, that one of the said two Decorations shall be styled "The Albert Medal of the First Class," and shall consist of a gold oval-shaped badge or Decoration, enamelled in dark blue, with a monogram composed of the letters V. and A., interlaced with an Anchor erect in gold, surrounded with a Garter

in bronze, inscribed in raised letters of gold, 'For Gallantry in Saving Life at Sea,' and surmounted by a representation of the Crown of His Royal Highness the lamented Prince Consort, and suspended from a dark blue ribbon of an inch and three-eighths in width, with four white longitudinal stripes.

"Secondly.—It is ordained, that the other of the two Distinctions shall be styled '*The Albert Medal of the Second Class*,' and shall consist of the like shaped enamelled Badge, save and except that in this class it shall be entirely worked in bronze, instead of gold and bronze, and suspended from a dark blue ribbon of five-eighths of an inch in width, with two white longitudinal stripes.

"It is ordained, that each Medal shall be suspended from the left breast.

"Thirdly.—It is ordained that the names of those upon whom We may be pleased to confer either of these Decorations shall be published in the 'London Gazette,' and a registry thereof kept in the Office of the Board of Trade.

"Fourthly.—It is ordained, that anyone who, after having received either of the Medals, again performs an act which, if he had not received such Medal, would have entitled him to it, such further act shall be recorded by a bar attached to the ribbon by which the Medal is suspended; and for every such additional act an additional bar may be added.

"Fifthly.—It is ordained, that the Medals shall only be awarded to those who, after the date of the said Warrant of the 7th March 1860, have in saving or endeavouring to save the lives of others from shipwreck or other peril of the sea, endangered their own lives, and that such award shall be made only on a recommendation to Us by the President of the Board of Trade.

"Sixthly.—It is ordained, that *The Albert Medal of the First Class* shall be confined to cases of extreme and heroic daring, and that *The Albert Medal of the Second Class* should be given in cases which, though falling within the cases contemplated by this Warrant, are not sufficiently distinguished to deserve *The Albert Medal of the First Class*."

"Seventhly.—In order to make such additional provision as shall effectually preserve pure this most honourable Distinction, it is ordained, that if any person on whom such Distinction is conferred be guilty of any crime or disgraceful conduct which in Our judgment disqualifies him for the said Decorations, his name shall forthwith be erased from the registry of individuals upon whom the said Decoration shall have been conferred by an especial Warrant under Our Royal Sign Manual, and his Medal shall be forfeited. And every person to whom the said Medal is given shall, before receiving the same, enter into an engagement to return the same if his name shall be so erased as aforesaid under this regulation. It is hereby further declared, that We, Our heirs and successors, shall be the sole judges of the circumstance demanding such expulsion. Moreover, We shall at all times have power to restore such persons as may at any time have been expelled to the enjoyment of the Decoration."

And whereas it has been represented to Us, that many heroic acts are performed on land within Our dominions in preventing loss of life from accidents in mines, on railways, and at fires, and other perils on shore:—

"And whereas, We, taking into Our consideration that it is expedient to reward such of Our faithful subjects and others who perform such heroic acts as are graciously pleased to extend the two Decorations styled respectively '*The Albert Medal of the First Class*' and '*The Albert Medal of the Second Class*' to cases of Gallantry in saving life on land; and for the exclusive government of the same, when conferred in such cases, but not otherwise, We are pleased to make, ordain, and

establish the following Rules and Ordinances we shall from henceforth be inviolably observed and kept."

First.—It is ordained that '*The Albert Medal of the First Class*,' when conferred for Gallantry in saving life on land, shall consist of a gold oval-shaped badge, surmounted by a representation of the Crown of His Royal Highness the lamented Prince Consort, and composed of the letter V. and A., erect in gold, rounded with a Garter in bronze, inscribed in letters of gold, 'For Gallantry in Saving Life on Land,' and suspended by a ribbon of an inch and three-eighths in width, with four white longitudinal stripes.

Secondly.—It is ordained, that '*The Albert Medal of the Second Class*,' when conferred for Gallantry in saving life on land, shall consist of the like badge, save except that it shall be entirely worked in bronze in gold and bronze, and shall be suspended from a ribbon of five-eighths of an inch in width, with two white longitudinal stripes.

Thirdly.—It is ordained, that each Medal shall be suspended from the left breast.

Fourthly.—It is ordained, that the names of those upon whom We may be pleased to confer either of these Decorations shall be published in the 'London Gazette,' and a register thereof kept in the Office of the Principal Secretaries of State.

Fifthly.—It is ordained, that anyone who, after having received either of the Medals, again performs an act which, if he had not received such Medal, would have entitled him to it, such further act shall be recorded by a bar attached to the ribbon by which the Medal is suspended; and for every such additional act an additional bar may be added.

Sixthly.—It is ordained that the Medals shall be awarded to those who, in saving or endeavouring to save the lives of others from accidents in shipwreck, on railways, or at fires, or other peril within Our dominions, endangered their own lives, and that such award shall be made only on a recommendation to Us by the First Lord of the Treasury.

Seventhly.—It is ordained that *The Albert Medal of the First Class* for Gallantry in Saving Life on Land shall be confined to cases of extreme and heroic daring, and that *The Albert Medal of the Second Class* for Gallantry in Saving Life on Land shall be given in cases which, though falling within the cases contemplated by this Warrant, are not sufficiently distinguished to deserve *The Albert Medal of the First Class*."

Eighthly.—In order to make such additional provision as shall effectually preserve pure these most honourable Distinctions, it is ordained, that if any person on whom such Distinction is conferred be guilty of any crime or disgraceful conduct which in Our judgment disqualifies him for the same, his name shall forthwith be erased from the registry of individuals upon whom the said Decoration shall have been conferred by an especial Warrant under Our Royal Sign Manual, and his Medal shall be forfeited. And every person to whom the said Medal is given shall, before receiving the same, enter into an engagement to return the same if his name shall be so erased as aforesaid under this regulation. It is hereby further declared that We, and our successors, shall be the sole judges of the circumstance demanding such expulsion. Moreover, We shall at all times have power to order such persons as may at any time have been expelled shall be restored to the enjoyment of the Decoration."

## LAND PRIVILEGES IN THE COLONIES TO NAVAL AND MILITARY OFFICERS.

(To take effect from the 1st October 1870.)

This Order is issued by the Secretary of State for the Colonies for the information of Officers wishing to retire from Her Majesty's naval or military service, for the purpose of settling in those colonies, which offer advantages to that class of settlers in the acquisition of land.

#### 1. Colonies which offer Privileges.

Colonies which now offer land privileges to British Military Officers are British Columbia and

#### 2. Officers entitled to Privileges.

Officers to whom such privileges are offered are: (a) Officers of the Military Branch, of all grades higher than that of Sub-Lieutenants; Military Officers of all grades not lower than that of Subalterns; (b) Officers of the Navy; (c) Regimental staff Officers; (d) Medical Officers of both Services, of not less than 10 years' standing.

#### 3. Officers not entitled to Privileges.

Officers not entitled to land privileges are, Naval and Military Chaplains; Commissariat Officers; Sub-Lieutenants; Medical Officers of less than 10 years' standing; Midshipmen; Cadets; Officers of every description; Officers of any branch of the Navy or Army; and, lastly, Officers who have ceased for the space of three calendar months to belong to Her Majesty's Service, and have not obtained the Memorandum of Rank and Service from the Admiralty.

#### 4. Nature and Extent of Privileges.

In British Columbia a certain quantity of land is granted in remission of purchase money. In the other named Colonies, land must be purchased, and regulations for the time being in force in each Colony, and a certain amount of the purchase money is remitted. These allowances are regulated by the Memorandum of Rank and Service of the Officer as shown in the following Table, viz.:

	Acres.
Officers of 25 years' service, in the whole	600
Officers of 20 " " " "	500
Officers of 15 " " " "	400
Officers of 20 years' service and upwards, in the whole	400
Officers of 15 years' service or less, in the whole	300
Officers of 20 years' service, and upwards in the whole	300
Officers of 15 years' service and upwards, in the whole	200

In all Colonies a remission of purchase money is allowed in proportion to the quantity of lands according to the following Table, viz.:

	£
Officers of 25 years service and upwards, in the whole	600
Officers of 20 " " " "	500
Officers of 15 " " " "	400
Officers of 20 years' service and upwards, in the whole	400
Officers of 15 years' service or less, in the whole	300
Officers of 20 years' service and upwards, in the whole	300
Officers of 15 years' service and upwards, in the whole	200

Officers receive allowances corresponding with the rank to Officers in the army as prescribed in the Order in Council of 11th June, 1863.

#### 5. Memorandum of Rank and Service.

Officers desirous of availing himself of these privileges must obtain a Memorandum, if a Naval man,

from the Lords Commissioners of the Admiralty, and if a Military man, from the Office of the General Commanding-in-Chief specifying his rank, length of service, and date of retirement. This document will not be issued more than once to the same officer; and it must, within one year from the date of the Officer's retirement, be presented to the Governor of one of the above-named Colonies, otherwise the Officer will not be entitled to any land privileges in the Colony.

No document from the Office of the Secretary of State is necessary.

#### 6. Location Ticket.

As the sole object of the Regulations is to encourage bona fide settlement of Naval and Military Officers in the Colony, an Officer, on presentation of his Memorandum of Rank and Service to the Governor, will receive in the first instance a Location Ticket only, for the land which in British Columbia he may obtain, or which in either of the other Colonies he may have purchased to the extent of his remission money.

#### 7. Crown Grant.

At the expiration of two years from the date of such Location Ticket, the Officer, on paying the customary survey and other fees, will receive in exchange for it a Crown Grant, provided he can show to the satisfaction of the Governor, but not otherwise, that he is a bona fide settler in the Colony, and has not only continuously resided therein since the receipt of his Location Ticket, but that he has resided on the land described in it for such length of time, and made substantial and permanent improvements thereon of such description and value as the Governor may have prescribed in any general notice published by his authority in the Government Gazette of the Colony.

N.B.—The term of residence and the extent of improvements at present required are as follows:—

In British Columbia, that the Officer or his family shall reside continuously on the land for two years, and build a house and make improvements.

#### 8. Lapse of Claim of Crown Grant not applied for in time.

If application should not be made for a Crown Grant in exchange for the Location Ticket within a twelve-month from the expiration of the two years for which it was issued, the Officer's claim will be considered as extinguished, and the land will absolutely revert to the Crown.

#### 9. Land not transferable until Grant issued.

No transfer of the land will be allowed or be valid until a Crown Grant thereof has been obtained.

#### 10. Provision in case of Death.

But if an Officer has obtained a Memorandum of Rank and Service and dies before he can obtain a Location Ticket the Governor of the Colony is authorised to make the Memorandum available, as he may think proper, in favour of a child or children or other nearest representative of the deceased, who will then become entitled to the same rights and be subject to the same conditions as attached to the deceased. In case an Officer dies after the Location Ticket has been obtained, the land to which it refers will be granted to his legal representative.

#### 11. Permanence of the Regulations cannot be guaranteed.

As the land regulations in the above named Colonies are liable at any time to be altered, Her Majesty's Government cannot guarantee the permanence of these regulations—nor can the amount of remission in purchase money made to Officers be increased on account of any increased value which may at any time be set up upon the Crown lands in the Colony.

The UNION ASSURANCE SOCIETY has now been in existence for upwards of One Hundred and Sixty Years.

The Invested Funds of the Company exceed ONE MILLION AND A HALF STERLING; which, in conjunction with the guarantee of an influential and wealthy Proprietary, enable the Company to offer to intending Assurers the most absolute security.

#### FIRE DEPARTMENT.

The Directors are ready to receive Proposals for insuring Property generally, in Great Britain and Ireland, at equitable Rates, and according to the risk to be protected.

#### LIFE DEPARTMENT.

Four-fifths of the Office Profits are appropriated to the benefit of the Assured every five years, thus giving them nearly all the advantages of a Mutual Company, but without any risk or liability whatever.

During the last thirty years the BONUS has averaged

One Pound Ten Shillings per Cent. per Annum on the Sum Assured.

The Bonus can either be applied in increasing the Sum Assured, in reducing the Amount of the Annual Premium, or its present value can be received in Cash.

Where the Bonus has been applied to reduce the Annual Premiums, considerable reductions have been made; and in many instances the present with the past Bonus additions will completely extinguish all future Premiums payable under the Policy.

Officers in the Royal Navy or in H.M. Marine Forces can insure by uniform Annual Premiums, not subject to increase on their being ordered abroad or residing whilst in either of these Services in any part of the world.

The following are the Whole-world Rates for an Assurance of £100 on the life of a Naval Officer, exclusive however of the risk incurred in actual warfare.

# IMPORTANT TO ALL,

Especially to Consuls, Ship Captains, Emigrants, and Europeans generally, who are visiting or residing in Hot or Foreign Climates, as a means of keeping the system clear, and thus taking away the groundwork of Malarious Diseases and all Liver Complaints, or as a Health-giving, Refreshing, Cooling, and Invigorating Beverage, or as a Gentle Laxative and Tonic in the Various Forms of Indigestion,

## ENO'S FRUIT SALT

Is particularly valuable. No Traveller should leave home without a supply, for by its use the most dangerous forms of Fevers, Blood Poisons, &c., are prevented and cured. It is, in truth, a Family Medicine Chest in the simplest yet most potent form. Instead of being lowering to the system, this preparation is, in the highest degree, invigorating. Its effect in relieving thirst, giving tone to the system, and aiding digestion, is most striking.

## FOR BILIOUSNESS or SICK

HEADACHE, Giddiness, Depression of Spirits, Sluggish Liver, Vomiting, Sourness of the Stomach, Heartburn, Costiveness and its evils, Impure Blood and Skin Eruptions, &c., ENO'S FRUIT SALT is the simplest and best remedy yet introduced. It removes, by a natural means, effete matter or poison from the blood, thereby preventing and curing boils, carbuncles, fevers, feverish skin, erysipelas, and all epidemics, and counteracts any ERRORS of EATING or DRINKING, or any sudden affliction or mental strain, and prevents diarrhoea. It is a Pleasant Beverage, which supplies the want of ripe fruit, so essential to the animal economy, and may be taken as an invigorating and cooling draught under any circumstances, from infancy to old age, and may be continued for any length of time, and looked upon as being a simple product of fruit. It is impossible to overstate its value, and on that account no household ought to be without it, for by its use many disastrous results may be entirely prevented. In the nursery it is beyond praise.

**TO EUROPEANS** who propose residing in, or visiting HOT CLIMATES, I consider the Fruit Salt to be an indispensable necessary, for by its use the system is relieved of poisonous matter, the result of heating to nearly the same extent, and of too rich food, as they do in a colder country, while so much heat-making food is not required in the warmer climate. By keeping the system clear, the Fruit Salt takes away the groundwork of malarious diseases, and all liver complaints, and neutralises poisonous matter. Out of a large number of testimonials we select the following:—

## ENO'S FRUIT SALT.—A

gentleman states:—"In cases of bilious headache, followed by severe attacks of fever, ENO'S Fruit Salt has acted like a charm, when all other treatment failed. The day is not far distant when the neglect of its use in all fevers and diseases resulting from poisoned blood will be considered criminal." See "Stomach and its Trials," 10th edition, post free 14 stamps.

**ENO'S FRUIT SALT.**—Messrs. Gibson & Son, Chemists, of Hexham, say:—"Since we introduced your Fruit Salt in Hexham a few months ago, we have sold upwards of one thousand bottles, and it gives general satisfaction, as customers who get it almost always recommend it to their friends."

With each Bottle of Fruit Salt is wrapped a LARGE ILLUSTRATED SHEET, showing the best means of stamping out infectious diseases, Fevers, and BLOOD POISONS, &c. (It is this INVALUABLE INFORMATION was universally carried out, many forms of disease now producing such havoc would cease to exist, as Plague, Leprosy, &c., have done, when the true cause has become known.)
